

Give an hour and make a difference!

**EMERGENCY MEDICINE
POLITICAL ACTION COMMITTEE
OF ILLINOIS**

Illinois EMPAC is asking you to “give an hour” in 2011 to help with statewide legislative efforts.

Donate the monetary equivalent of one hour of work to EMPAC today: Help ICEP continue the momentum gained during the General Election. Now is the time to work toward positive change in our legislature!

EMPAC is the state political action committee of the Illinois College of Emergency Physicians. It contributes to candidates for state office who support the views of emergency medicine and the medical profession. EMPAC is governed by a Board of Trustees which directs the organization's contributions — making contributions to members of both political parties. The EMPAC Board works with ICEP's lobbyists and staff to identify candidates for statewide office who are sympathetic to the concerns of emergency physicians and patients seeking emergency care.

How to Make a Donation

Visit the EMPAC Booth today or call ICEP at 630.495.6400. Staff can take your donation information and apply your contribution at any time.

Contributions may be made via check (made payable to EMPAC) or credit card.
