

Illinois College of Emergency Physicians

The professional voice for Emergency Physicians in Springfield

Emergency Medicine Political Action Committee (EMPAC) of Illinois

A political action committee (PAC) is a tax-exempt 527 organization that pools campaign contributions from members and donates those funds to campaigns for or against candidates, ballot initiatives, or legislation.

ICEP needs all members to make an EMPAC contribution today to advance emergency care and protect our livelihoods in Illinois.

GOALS & PRIORITIES

WHO: The Emergency Medicine Political Action Committee of Illinois (EMPAC) has been a powerful voice and advocate for emergency medicine in Illinois since 1994.

WHAT: EMPAC strives to improve emergency care for patients and communities by making contributions to political candidates and elected officials who are supportive of emergency medicine-friendly policies.

WHY: This year your contribution to EMPAC is more important than ever. Illinois has many new members of the General Assembly, which offers an opportunity for us to make an early impression on members who will advocate for our key causes.

HOW: EMPAC supports lawmakers and candidates who are critical to advancing emergency care in Illinois. ICEP's team regularly monitors all bills and their impact on emergency medicine and emergency patients and strategically contributes to candidates who are committed to advancing our mission.

KEY PRIORITY AREAS WE ARE ADDRESSING:

Patient Boarding

Workplace Violence

Medicaid Reimbursement

Scope of Practice and Ensuring Physician-Led Care Teams
